

CASE MAN TRUCKS

MAN Trucks, renowned for their durability and performance, is a leader in the commercial vehicle industry, offering a comprehensive range of trucks

THE CHALLENGE

MAN Trucks faced the challenge of streamlining their sales process while effectively communicating the diverse capabilities of their truck range. They sought a solution to enhance customer engagement and illustrate the financial benefits of their offerings.

OUR SOLUTION

To address MAN Trucks' needs, we co-created a **dynamic product configurator** with intuitive navigation, enabling seamless exploration of their truck lineup. The configurator ends with a TCO savings simulation, providing customers with valuable insights into the economic advantages of accessorizing MAN vehicles.

BEFORE

AFTER

MAN Trucks Division stimulated customer engagement by using a dynamic, value driven & stylish way of driving conversations.
